INTRODUCTION

This history of the Bucher Family was started as an innocent little project at the suggestion of brother Orville; when he was President of the Bucher Reunion in 1953. It sounded like an interesting idea and he remarked that the history should be brief and that it should include some of the little stories Father used to tell about his Breat Grandfather.

As frequently occurs, little projects prove so interesting that there doesn't seem to be a cutting-off point. So, after the reunion in 1953, the project continued with small additions from year to year. Marriage dates, birthdates, and deaths were added. Others co-operated and it seems that thousands of names were collected.

Serious thoughts were given and presented several years ago concerning printing of the Geneology. It was suggested that more information be collected and an estimate of cost should be presented.

In 1961 orders were taken for the Bucher Geneology. Some branches of the family tree are incomplete. Much is owed to all those who have contributed by furnishing information and completing their branches. Some families are scattered near and far and securing information is difficult without extensive travel.

There are a number of the distant cousins located west of Bluffton. It would have been interesting to include their families in this Geneology but because of time and limited ability to pursue the Bucher lineage, it was decided not to include this branch. An interesting family tree is in possession of Ezra Bucher, Bucher Road, Columbus Grove. The printing is intricately done and includes many hundreds of names.

This book is a basic book and further information or corrections should be called to our attention. It would be desirable to correct all errors before printing but in the complexity of names and dates it is recognized that errors will occur.

On the succeeding pages will be given some little historical facts as well as instructions on how to use the geneology. It is hoped that all who have purchased the book will from time to time find it a useful addition to their library.

A LETTER WRITTEN BY FREDERICK BUCHER to his Brothers and Sister and Friends. (Written about 75 years ago)

I cannot forbear to write unto you for the love to your souls urges me to do so. It sorely distresses me (while I see in the word of God) that you yourselves to be misguided, which grieves me very much in my heart. For it is a weighty matter because the passing through of this world can be made but once, and what we have sown we much expect to reap forever when the time of Grace is past. You therefore should consider it now, as long as you are in this world you can repent yet, and be converted unto God, because Grace is offered to everyone. But this teaches us to deny ungodliness and worldly lusts and that we should live soberly, righteously, and Godly in this present world. O therefore seek diligently in the word of God, and see if these are not ungodly things which do not correspond with the word of God, and see if these are not worldly lusts, such as Frivolity, Silliness, Jestings, Romping, and so forth, as the whole world is now engaged in. O consider it well. I think that a certain writer has expressed himself well by saying:

Desire not much joy in this world for it might happen that we could forget the danger we are in. For we have so many examples that we are at no moment sure of our lives. Avoid all associations with wicked. Avoid frivolity, abuse and lying. Happy is he who in the days of his youth runs no risk of such dangers. Where there is much laughing and idle talk, as is often the case, there is no sincerity, as the Lord, Himself, declares. Yes, the Lord will render a strict account of all this. Therefore repent in time. Bridle your tongue and talk not too much. Now mark: The writer declares that the frivolous and laughing and transitory joys of this world that mankind readily all appertain to an ungodly life that we must renounce. Further on the writer declares 'that we must all associations where wickedness is practised'. It was also thus the case with me, but I saw that my condition was not good, and that I cannot stand before God and his judgement in this way. I also saw clearly that God's word was not observed by us, and after further research I saw clearly that God's word was not rightly taught and still less obeyed. I saw there was a great decline in the church and more plainly I saw it after reading the confession of faith of the Holy Martyrs and that their faith has solid foundation in the scriptures. I saw that we rejected their confessions of faith.

O, therefore consider this and take the word of God for your guide and try the fruit that appears and see whether it is of the good kind. If it is good fruit you can surely believe that God will accept you. The grape that hangs on the vine partakes of the sap of the vine, but we are of the bitter vine of Sodom whose grapes are also bitter. Therefore we have to be grafted against nature as a bitter vine, onto the good olive tree, as the Apostle says. This all shows us clearly that man must be regenerated before he can be received into the Church of Christ, I counsel you all again, in all brotherly love, think of this for the time passes so swiftly, and here and there we hear of death. Man is called into eternity and we don't know how near we are to the grave. I have felt sometimes as though I would not write you anymore while I well know that it is not agreeable to human nature for man is more interested in earthly things than in spiritual things but the pure love to your souls urges me to warn you once more for I am much concerned about your eternal welfare because I truly believe that you suffer yourselves to be misguided. O reflect on this and pray earnestly to God for wisdom.

I must close, I hope you will receive my writing in love which I wrote to you in my unworthiness.

From your unworthy brother

FREDERICK BUCHER

PEACE

Will there be a lasting peace after this war is ended, is a question that the people of the world are deeply concerned about. By following up the history of man from the beginning, when Adam and Eve were created and were placed in the garden of Eden. Created in the likeness and image of God Holy and righteous, they walked disobeyed, and ate of the fruit of the tree, that stood in the midst of the garden. They chose to disobey God, and listen to the enticements of Satan, the deceiver. Through disobedience, sin entered into the flesh of man; hatred, envy and strife continued to be in evidence. Out of envy Cane slew his brother Abel, and became a murderer. When the people increased and settled in different places, they had war, the victors took the defeated ones' cattle, and sheep etc. Wickedness increased so much, that God destroyed all the people of the world with a flood, except eight souls that were saved by the Ark. As the people increased again, Satan having so great a power over them, cities were burned on account of the wickedness of the people. Laws were given from God, or people would not have been able to live together at all. It repented God that he had made man. God promised to send a deliverer which was fulfilled in the Saviour. At the time, the Saviour came, there were none righteous, all had fallen into sin.

Only a few thousand people actually obeyed the Saviour's teaching. The rulers continued to follow the old law, an eye for an eye, and a tooth for a tooth. The people disliked the Saviour's teaching, and said, "Away with Him, if we let this man go, the Romans will come and take away name and nation". The same reasoning, is in the world today, which is true according to the power of Satan. The Saviour overpowered Satan, and all that come to the Saviour and obey His teachings, can also overpower Satan. The Saviour is the Prince of peace, and brought the only peace into the world that will endure. Man cannot make a lasting peace by taking the sword in one hand, which is hatred, envy and strife, and the cross in the other, which is love, peace, and unity. The two cannot be consolidated. All mankind, the Kings and Rulers are the same as all men; all are born of women and grow up and live the allotted time, and die. The Saviour is the Son of God, with eternal life. God said "this is my beloved Son in whom I am well pleased, hear ye Him." The Saviour said, "love one another, put up the sword, learn war no more. Can we hope to excuse ourselves by telling the Saviour we had to use the sword, or the enemy would come and take away our name and nation? Should we not trust the Saviour when he says, he will be with us even unto the end of the world? There is much hatred in the world in the 24th chapter of Matthew, the Saviour tells of the latter days, where nation shall rise against nation, etc. Which is evident that warfare will continue. Satan is the author of destruction and confusion. True followers of the Saviour, are told to come out from among them, be ye separate, all are warned not to violate one of his commands. His word is truth, and His truth will stand.

On July 25, 1969 Cleo, Carl, Lynn, Traci, Carl Lee and myself stopped en route to Zurich, Switzerland in the beautiful little city Langnau. A long-dreamed-of occasion had happened. Many of us have expressed a desire of seeing Switzerland, the home of our fore-bears.

There is a hope of uncovering mysteries clouded by the many years that have passed and this was my desire. We stopped at a photography shop to purchase some film and a new light meter, the latter which was forgotten. We became deeply engrossed in a rather clumsy conversation with German-English in confusion which finally was cleared up by my presenting the Bucher Genealogy and the addition of a son of the proprietor who spoke English.

They directed me to the city hall and to Mr. Heinz Hadorn whose job was to keep the city records. He spent about an hour and half with me and with his interpreter we got along quite well.

He took the entries from the original record books and they appear as on this page. You will note such errors as printed in the Genealogy as Langau with the omission of the 'n' as in Langnau. There is some discrepancy concerning certain birthdates but I would rather take the original records as more true. Jacob was born in this country and there was no record in the original books.

The house where Christian was born is still standing and the temptation to stay in Langnau was very great but I couldn't impose myself on the time of the others.

While I was securing information, they were taking a mountain road that ended as a trail in the barnyard of a somewhat bewildered Swiss farmer who had his peace and tranquility interrupted.

Reluctantly, we left Switzerland on the 5th day. It is picturesque, rugged, and a place where I would like to spend more time.

Willis Bucher.

The history of the Bucher family would be incomplete without their identification with the Mennonite Church. Frederick Bucher was one of the founders of the Whitehouse Church which stood for many years on the Finzel Road across from the Fred Christman farm. The original wooden church gave away to a new brick church built to the north in 1893.

The original church was rough and quite representative of the times that these people lived through.

However this generation of people, as a result of their sternness and religious passion, developed for us the many things to make our life easier and that we should ascend to a greater appreciation of life.

When I reflect on this great generation which has passed, I sometimes question our attainments.

In our great effort to keep pace with these moving times, we sometimes travel a path aimlessly directed toward material achievement and I wonder that perhaps their attainments were probably much greater than ours will be.

Certainly after reading the letter written by Frederick Bucher about 100 years ago, there would be plenty in our times that he could frown upon.

Christian Bucher (1778-1879)
Christena Breckbuhl (1785-1835)
Married 1813, Langau, Bern, Switzerland

In 1825, after a six weeks crossing, Christian and Christena Bucher came to America with a bunch of little children. They settled in Wayne County where Christian practised his work as a weaver. After several years, he saved \$100 and bought 40 acres of land. Ten years later he sold the land for \$500. He then moved with his family to Allen County one mile west of Bluffton. He bought 160 acres of land for \$1 per acre. He made a pole building out of the woods with a tree bough roof. It is difficult to visualize how he had to build his house.

But he held his head high and looked ahead. With his growing children, things went better.

John lost his eyesight at 2 years of age due to illness. He had an excellent mind and could easily adapt himself. He could repeat a song after hearing it twice and was a song leader in church for many years. He was interested in the trees, would cut them down, split the wood and raked it better than many who could see.

When Christians' wife died about 1835 at 50 years of age, there was no burial ground. A place was selected in the field and fenced in. Later the fence fell down and the burial spot was lost.

The girl helped with the housekeeping and they kept things going as best they could. Christian got the children all together and told them his plans. He took his cane and started walking from Bluffton to Wayne County to get a housekeeper. He married his second wife, Anna Biery. Shortly they walked back to Allen County. He, again had a complete household.

After clearing the land, he farmed along with his weaving.

(Translated by Ezra Bucher from a German biographical story of the first settlers of Bluffton, Ohio area.)

The Bluffton News

With the passing away of Peter Bucher, the oldest and last landmark of the earlier settlement day is removed. Mr. Bucher was the son of Christian and Christena Bucher and was born in Langau, Switzerland, May 23, 1816. He died May 24, 1914 aged 98 years and 1 day.

With his parents he came across the Atlantic after seven weeks voyage at the age of 8 years. After spending 6 years in Wayne County and 5 years in Holmes County he came to this section.

He was married to Verena Fannie Geiger June 22, 1843, who preceded him in death October 13, 1901. To this union, who resided together 58 years, two sons were born, John and Daniel. The latter died in 1908. The deceased leaves one son, seven grandchildren and thirty one great grandchildren.

Mr. Bucher belonged to the Mennonite Church, a true and faithful member, highly respected by all who knew him.

Funeral services were conducted by Rev. Gottshall Tuesday afternoon at the Ebenezer Church.
