## SAMUEL BUEHRER

What does a person of 84 years old see develop in his lifetime?

Samuel Buehrer, a farmer who lives in Ridgeville Township tells us that he remembers when the first tractors came on the market. He also remembers the first automobile, manure spreader, grain binder, windmill, telephone, electricity, wire fence (before that, rail and board fences were used), airplane, jet planes, flight to moon, tile ditching machine which was driven with an upright steam engine and fired with wood or coal, first gas furnace and first oil furnace.

In the days when they went to the county fair with horse and buggy, they took a bag of hay to feed the horse and also carried their dinner for a picnic.

Samuel Buehrer remembers the first silos, gas delivery trucks and the first Edison phonograph that was quite an entertainer and pastime. Then came the radio and television.

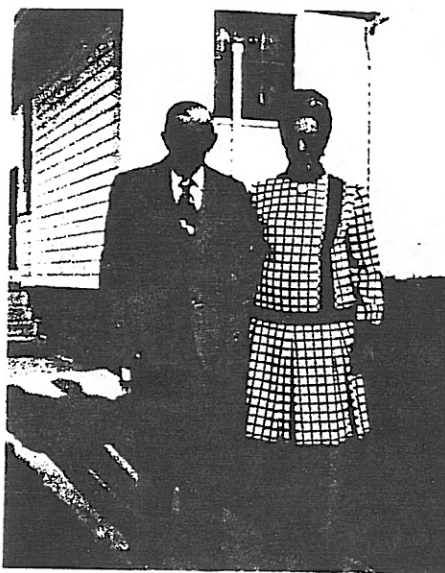

He remembers the first strike and first riot.

Mr. Buehrer was on the Ridgeville School Board when the one room school houses went out of existence, at the time the school was centralized, and also when the addition of gym hall and classrooms were added to the school. Mr. Buehrer is the only one living that was on that board. His son, William Buehrer, was on the school board when part of the Ridgeville District was transferred to Napoleon and part to Archbold.

He well remembers when pupils respected their teachers, when teachers were allowed to use the rod when necessary, when Christian songs were sung and Bible reading was permitted, instead of student riots. Mr. Buehrer commented, "It is said that there is a reason for everything. Could it be that there is a reason for everything. Could it be that we have slipped somewhere along the line? Think it over."

When he went to school, the children had no time to get into mischief. After school they had to pump water, split wood, clean the horse and cow stables, and carry in straw from outside straw stack. All these were regular chores. They had no davenport to lie on and no television to watch.

Of all the improvements mentioned before, Mr. Buehrer thinks electricity is one of the most important. He said,

Mr. and Mrs. Samuel Buehrer, Ridgeville Township

"Just think what all is done on the farm with electricity, such as pump water, lights in all buildings, motors to run all kinds of machinery, such as feeding augers and silo unloaders. One can't mention what all is done with electricity."

The first automobiles to Mr. Buehrer's recollection belonged to Dr. Ed. Murbach and Ira Gotshall. He remembers seeing the first one going along the road north of them. His brother Emil and Mr. Buehrer were working in the field. As soon as they saw the car, they crawled on the rail fence and watched the auto as far as they could see it, traveling about 20 miles an hour.

Mr. and Mrs. Samuel Buehrer, Ridgeville Township

is using the same patented gate now that we had for 20 years. I am still using the same rack I had when we started."

When he started in the custom silo filling business, the corn was hauled to the cutter with low-wheeled wagons. Four and five wagons with one man on each wagon were used and two or three men in the field helped load the bundles which were cut with a corn binder. He reports that some of the really first ones were cut by hand and the corn carried to the wagons.

When his two sons, William and Marcus, were home, they helped with silo filling. Mr. Buehrer said, "We always had enough silos to fill each year as long as silo filling season lasted till the corn was frozen too much." Mr. Buehrer commented, "I still feel content on the tractor with a chopper back of it. I'm thankful that I have the health to do it."

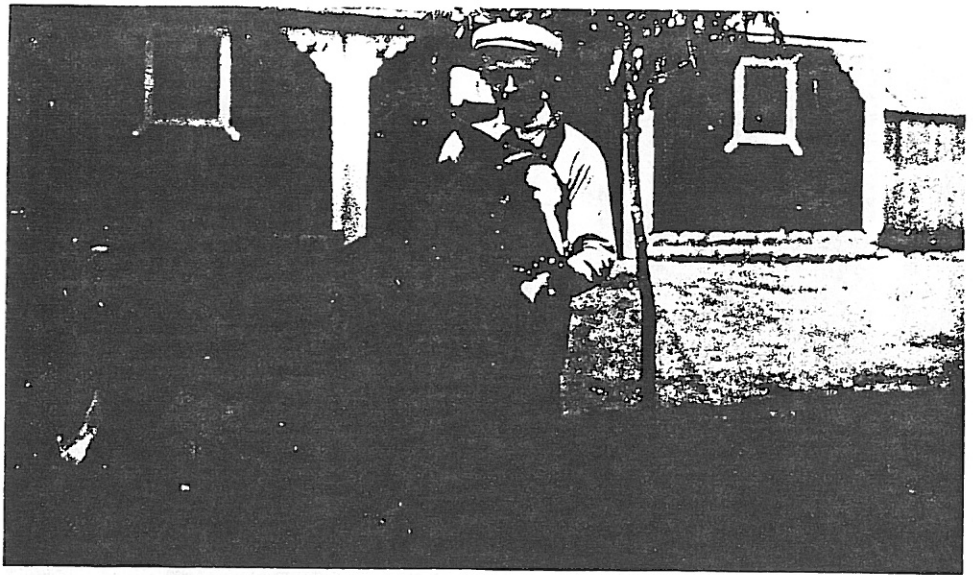

If the ensilage that he has cut in his lifetime were put into a ten foot silo, it would be a couple of miles high. He's had nearly 40 different customers since he's been in the custom silo filling business. He added, "We've always had good neighbors and I've enjoyed living here." He feeds all of his grain to sows and steers. Also raises 20 acres of sugar beets.

Samuel Buehrer is the sixth generation on the 80 acre Buehrer farm on County Road U-1, 1 1/4 miles east of State Route 66, four miles south of Archbold. He was born on the farm in 1890. During the past 48 years, he has been married to Sophia Klundt, who was from Buelah, North Dakota.

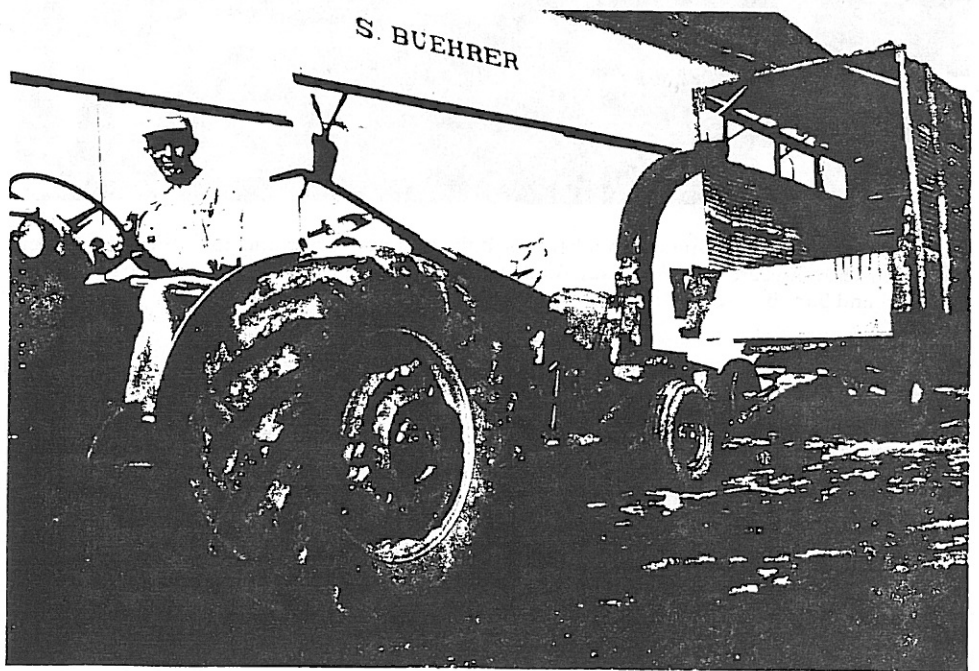

They have four children, Marcus, William, Marie and Grace. Marcus is a United Church of Christ minister at Kettering, Ohio with 1100 members in his congregation. He married Jane, a daughter of Dr. and Mrs. Ben Herbster of Cincinnati, Ohio. Marcus and his wife Jane have 4 children, Timothy, Benjamin, Cynthia and Elizabeth.

William married Donna Ruffer, daughter of Mr. and Mrs. Paul Ruffer of Archbold. William is in the contracting business with his father-in-law. They live next to the homestead, and have six boys and one girl; they are: Robert, Neil, Todd, Samuel, Paul, Bennet and Mary.

Marie, formerly a nurse, married Lloyd Rychener of Rt. 2, Archbold. They have five girls and five boys. They are; David, Susan, Phillip, Carol,

Samuel Buehrer stands with Belgian colt, taken in the early 1900's.

Mr. Buehrer and his chopper and wagon prepare to fill silos.

Ann, Dan, Calvin, Donald, Betty, and Brenda. Susan is married to Dan Neff and they have a son, Mathew.

Grace, a school teacher before marrying Rev. Ervin Kock, lives in Kenton, Ohio, with her husband, two daughters and one son. They are: Paul, Nancy, and Mary. Rev. Kock is pastor at the United Church of Christ which has 700 members. Mrs. Samuel Buehrer has worked at LaChoy in Archbold for 14 years. They are members of St. John United Church of Christ at Archbold.

The farm in Ridgeville Township, Henry County, that is owned by Mr. and Mrs. Samuel Buehrer has been in the Buehrer Family for over 100 years.

Michael Buehrer, Jr. had a saw mill and a tile mill in Switzerland. He lost his business so he brought his wife and four children and his 83 year old father to America. They were on the ocean for 29 days.

They finally settled in Archbold. A friend, Conrad Kutzli, helped them buy a farm. Since they only had \$75 in cash when they landed, they had to borrow every cent to buy the farm.

Michael Buehrer purchased the first 30 acres from John Schofield for \$25 an acre. Only nine acres of the land were cleared. Michael Buehrer, Jr. owned the land for 35 years.

John N. Buehrer, the father of Samuel Buehrer, bought the farm from his
